Abena has been a trusted licensee on baby diapers for more than two decades.

According to our system, Abena was awarded their first licence (5023 0001) at Ecolabelling Denmark on April 1, 1998. Ecolabelling Denmark was established in 1998 and Abena has been a licensee from the very beginning.

Abena was the first company Worldwide to acquire the Nordic Swan Ecolabel on baby diapers.
